GENERAL INFORMATION

The Lower Level ISEE takes approximately two hours and 30 minutes to complete, including breaks. The Middle and Upper Level ISEEs take approximately two hours and 50 minutes to complete, including breaks.

The ISEE can be taken up to three times in an admission cycle, which is broken into three periods: Fall (August–November), Winter (December–March), and Spring/Summer (April–July). Students can take the test once in each of these periods.

The ISEE can be taken on paper, on a computer at a designated test center, or on your own computer at home.
